

**IN THE UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF TEXAS - DALLAS DIVISION**

SECURITIES AND EXCHANGE COMMISSION, §
Plaintiff, §

v. §

TIMOTHY BARTON, et al. §
Defendants. §

3:22-cv-2118-X

**DEFENDANT BARTON’S OBJECTION TO
RECEIVER’S FOURTH FEE APPLICATION**

Defendant Barton objects to Receiver’s Partially Opposed Fourth Quarterly Fee Application. A detailed objection will be timely filed, but noting the Receiver described his application as only “partially opposed”, Barton wanted to ensure that the Court was made aware that Barton is “completely opposed.”

The undersigned is aware that the Court’s deadline has been established as February 4th, but in an abundance of caution, files this brief objection to ensure that all parties aware of the coming objection, and in the meantime, asks that no early action or partial grant be sought or granted.
